

TITLE SOLUTIONS GROUP

About the Title Solutions Group

The Title Solutions Group is a dynamic team of title industry experts delivering comprehensive banking services to agents, underwriters and the real estate ecosystem. The team provides banking and treasury solutions, fraud prevention services, and innovative platform partnerships—all centered on an exceptional client experience.

What sets the team apart?

Precision. In real estate, timing is critical. The Title Solutions Group's precise execution, attention to detail, and laser-focused commitment to their clients plays a vital role in some of the most exciting and special transactions of their customers' lives. The team expertly balances the competing forces of safety and security with transaction execution efficiency and scalability.

From your perspective, what sets Customers apart?

Customer-first mindset. Customers Bank's client-centric model powered by cutting-edge technology enables bankers to accelerate clients' success through tailored solutions, thoughtful problem solving, and an elevated customer experience.
